

I²SL ANNUAL CONFERENCE 2015

Business Mission to San Diego, California

21 – 25 September 2015

Mission Brief

The Singapore Sustainable Laboratories Group (S2Lab), also acting as the I²SL Singapore Chapter, supported by National Environment Agency (NEA) and under the IMAP grant, is organising a business mission to San Diego, California targeted at identifying and securing for sustainable laboratories practitioners. Members will get an opportunity to meet with best in class practitioners and share experiences.

Opportunities

At the end of the mission, participants will:

- Learn about US-based technology for solutions and their potential adoption in Singapore
- Visit institutions and universities to understand the cutting-edge technologies implementation
- Network with local and international experts in the field for potential collaboration

Target Audience

- Companies who are interested in introducing US-based technology solutions to Singapore and the region
- Consultants who are keen to learn about US-based technology for adoption in Singapore
- Technology adopters (e.g. facility managers, laboratory owners and developers, etc.)

HIGHLIGHTS

- Technology Seminars and Workshops
- Technology Fair and Exhibition
- Networking reception with I²SL members
- B2B Meetings
- Introduction and visit to UC Irvine's SmartLab Programme, which has successfully reduced laboratory energy usage by 50%

SEAS IMAP GRANT FUNDS UP TO 70% REIMBURSEMENT FOR COMPANIES ON THIS MISSION
